

REMARKS

Applicant has corrected a minor typographical error in FIG. 14 of the drawings and has amended the claims to remove reference numerals and unnecessary "means for" recitations that may cause the claims to be construed under 35 USC 112, sixth paragraph, contrary to applicant's intention. No new matter has been added, nor has the claim scope been narrowed by these amendments.

Early action allowing claims 1-13 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing Docket No. 245402009300.

Respectfully submitted,
